

My family is very concerned that our favorite station KLOVE may be taken off the air. We listen to the music, news, and the community bulliten board for upcoming events. As we live in a small, rural community, this is about the only way we can hear of events. This is the only station we can leave on and feel safe that no offensive news, songs, or advertisements will get through to our precious children's ears. This is a very outstanding service and is definitely is our public's interest!!! Thank You and God Bless! Susan Hamm and family
